**Step 1 :** Expand frame keeping the hubs with steel inserts to the top.

**Step 2 :** Insert the 8 Channel Bar (A) vertically to the front and back by slotting point end inside upper hub first.

**Tips :** Slot flat end of channel bars into the lower hub from the side. Insert the Channel Bar B horizontally to front and back.

**Step 4 :** Insert the 4 Channel Bar (C) to 4 corner as a curved. Once all channel bars are attached, insert internal wooden shelves, resting them in place on the hubs.

**Step 5 :** Attach your graphic panel. Starting from one end, keeping it level with the horizontal channel bars.

**Step 6 :** Rest counter top on, ensuring the holes on the underside locate with the steel pins on the hubs.

**Step 7 :** Insert and secure the Shelves (2) into the center of the aluminum frame.
