Economic Roll-Up Banner Stand
Easy Set Up Instruction
(Please read before set up)

🔒 http://www.prints-mart.com 🔍
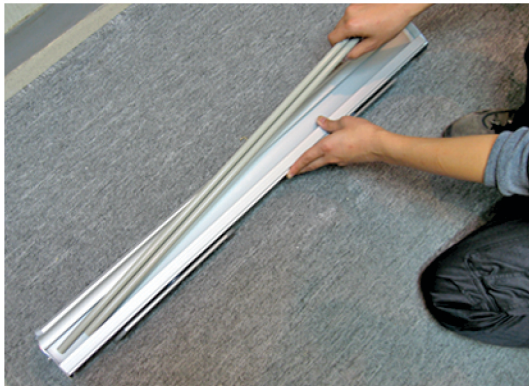

Step 1 : Remove three fold-pole from side slot on the aluminum base case.

Step 2 : Rotate the stabilizing foot to 90 degrees.

Step 3 : Assemble the three fold-pole into one unit.

Step 4 : Insert the pole into the pole adapter (the hole) at the center of the aluminum base case. * Large size banner stand have 2 poles to insert.

Step 5 : Stand on the foot of the base support in back to stabilize. Raise the top profile out of the base case slowly and slightly.

Step 6 : Continue to raise the graphics slowly and slightly until it reach the top part of the pole. Insert the tab on top of the pole into the groove on the top profile.
